Seven thousand dollars, collected in Connecticut for the relief of the suffering women and children of Belgium has just been forwarded by the Connecticut committee of the commission for relief in Belgium to the New York headquarters of the commission through the state treasurer, Charles C. Russ, of Hartford.

The money will be spent in New York for food and clothing for immediate shipment to representatives of the commission in Belgium. Russ, Hartford Trust company, Hartford, Conn., in order that Connecticut may get full credit for the generosity of its citizens.

Strength.

Detroit, Mich. "I was in such a run-down dendition I had no ambition to do anything, I had a chronic cough and cold and nothing seemed to give me any relief, and I was gradually getting worse, until a friend advised me to try Vinol, which I did. After the first day or two it seemed to put new life into me, the tired, worn-out feeling began to disappear, I regained my appetite and was able to get a good night's rest. The cough stadually wore away, and I am now feeling like myself again, so that, I can do all my housework and go about my duties as usual. Vinol is certainly a wonderful medicine." Mrs. W. E. Waters, Detroit, Mich.

Vinol restores health and strength in conditions like this, because in a natural manner it increases the appetite, tones up the digestive organs, enriches the blood and strengthens every organ in the body.

We guarantee that Vinol will do the same for any run-down person in Norwich, or give back their money.

It is optional, however, with the daughters as to whether they will take title and possession and the matter is receiving consideration of the 49 chapters in various parts of the state. Among those who are in a position to state it is the belief that the homestead will be taken over, but the matter cannot take definite form until every chapter in the state has been heard from.

Not long ago Martha Pitkin chapter, D. A. R., of East Hartford and South Windsor, upon the announcement of Regent Miss Anna M. Olmsted that the State D. A. By the will of Miss Mary Dutton, deceased, the Trumbull property is left to Miss Ellen Huntington and Miss Halland, a teacher, during their lives. When it ceases to be their home it is given to the State D. A. R., providing they keep it in repair. If they do not accept it upon those terms, it will become the property of the Congregational Church society.
